where

DO YOU SAIL FROM HERE?

How does your compass read — what is your next port-of-call? Are your horizons near or far? Time will tell of the number who achieve their goals. Will you be one of these? Some will drift aimlessly on the uncertain sea of life. Others will be storm-tossed on unseen rocks and shoals. But those who prepare well and maintain their charted courses with courage and faith — these are most likely to sail into happy harbors. The 900,000 members of AAL wish for all of you a pleasant journey.
